

	Version 03	RC14001	
TITLE: RESPONSIBLE CARE® 14001 TECHNICAL SPECIFICATION		Document Number: RC151.03	
		Issue Date: March 9, 2005	Page Number: 1 of 24

PURPOSE

To identify the requirements organizations must meet to gain certification to RC14001 as part of the American Chemistry Council's Responsible Care Certification Process.

SCOPE

The requirements beginning on page 7 and concluding on page 18 constitute the auditable requirements for RC14001.
