This British Standard is the UK implementation of EN 80000-13:2008. It is identical to IEC 80000-13:2008. It partially supersedes BS EN 60027-2:2007, specifically Subclauses 3.8 and 3.9.

The UK participation in its preparation was entrusted to Technical Committee SS/7, General metrology, quantities, units and symbols.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
