This British Standard is the UK implementation of EN 60404-8-1:2015. It is identical to IEC 60404-8-1:2015. It supersedes BS 6404-8.1:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/108, Magnetic Alloys and Steels.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
