## National foreword

This British Standard is the UK implementation of ISO/IEC 14882:2017. It supersedes BS ISO/IEC 14882:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/5, Programming languages, their environments and system software interfaces.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
