## European foreword

This document ([EN IEC 60974-1:2022/A12:2023](#)) has been prepared by CLC/TC 26 “Electric welding”.

The following dates are fixed:

- latest date by which this document has to be implemented at national level by publication of an identical national standard or by endorsement (dop) 2024-09-20
- latest date by which the national standards conflicting with this document have to be withdrawn (dow) 2026-09-20

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. CENELEC shall not be held responsible for identifying any or all such patent rights.

This document has been prepared under a standardization request addressed to CENELEC by the European Commission. The Standing Committee of the EFTA States subsequently approves these requests for its Member States.

For the relationship with EU Legislation, see informative [Annex ZZA](#), which is an integral part of this document, and Annex ZZB, which is an integral part of [EN IEC 60974-1:2022/A11:2022](#).

Any feedback and questions on this document should be directed to the users’ national committee. A complete listing of these bodies can be found on the CENELEC website.
