Views expressed in this publication are those of the author(s) and contributors and do not necessarily reflect those of the International Organization for Standardization or United Nations Industrial Development Organization. The designations employed and the presentation of material do not imply the expression of any opinion whatsoever on the part of the International Organization for Standardization or the United Nations Industrial Development Organization concerning the legal status of any country, territory, city or area, or of its authorities; or concerning the delimitation of its frontiers or boundaries; or its economic system or degree of development. Designations such as “developed”, “industrialized” and “developing” are intended for statistical convenience and do not necessarily express a judgment about the stage reached by a particular country or area in the development process. Mention of names of firms and organizations and their websites, commercial products, brand names, or licensed process does not imply endorsement by the International Organization for Standardization or the United Nations Industrial Development Organization.
